Coins and Medals are sold at so much per piece. Kindly make your bids accordingly. Do not bid by the lot. If a lot contains 10 pieces and you desire to offer \$2.00 for it, make your bid 20c.

My terms for buying are 10 per cent.

Auction Sales are strictly for cash. Parties unknown to me must send a deposit covering at least 25 per cent. of their bids, otherwise they will not be accepted.

ALL CATALOGUES ARE NOT ALIKE.

My ratings of the condition of Coins and Medals, and the statements made in my Catalogues as to their rarity, etc, are to be distinctly understood as based on my personal judgment, formed after an experience of twenty-seven years as a dealer.

Gradings of Coins or of lots, in other catalogues, should be credited to those who compile them, and their interpretations of this very important factor, should be valued according to whatever experience they may have had, the knowledge acquired, and their integrity of purpose.
